MEMORANDUM AND ORDER

I previously granted summary judgment to defendant Anheuser-Busch, Inc. and entered judgment in A-B's favor. A-B has now filed a bill of costs seeking \$2638.11 under 28 U.S.C. § 1920. Plaintiff EEOC has filed a response to this motion, requesting that the court assess the total costs against the EEOC only because the agency is better able to pay the assessed costs than plaintiff-intervenor Cooper. The EEOC does not object to any of the requested costs.

Accordingly

IT IS HEREBY ORDERED that defendant Anheuser-Busch, Inc.'s motion for costs [#45] is granted and the Clerk shall tax allowable costs in the amount of \$2638.11 against plaintiff Equal Employment Opportunity Commission only.
